

Public Health Research Programme 23/24 June 2010 Research Funding Board funding recommendations.

Full Proposals:

The Research Funding Board recommended the following full proposals for either immediate funding or for funding subject to certain conditions:

Project Ref.	Lead Applicant	Institution	Project Title
Researcher-led			
09/3005/05	Professor Catherine Law	Centre for Paediatric Epidemiology & Biostatistics, UCL Institute of Child Health	A population-level evaluation of a family-based community intervention for childhood overweight and obesity.
09/3005/12	Dr Jonathan Shepherd	Southampton Health Technology Assessments Centre (SHTAC), University of Southampton	Factors facilitating and constraining the delivery of effective teacher training to promote health and well-being in schools - a survey of practice, systematic review and economic analysis.

Further information on the above projects will be provided on the PHR programme's website, once the project has started.
